
List of Drinks and Wines

*Wine to me is passion. It's family and friends. It's warmth of heart and generosity of spirit. Wine is art.
It's culture. It's the essence of civilization and the art of living.*
- Robert Mondavi

Syracuse's wine list celebrates the greatest wines that Australia and the rest of the world have to offer. It is driven by integrity and passion. From the vineyard to the glass, we aim to provide our guests the most diverse range of wines of varied and carefully chosen vintages. This wine list is our humble homage to a selection of artisanal and emerging boutique wineries as well as well-established and respected producers of exceptional character and individuality from wine regions around the world without forgetting the classics.

We take pride in offering suggestions to complement our seasonally influenced cuisine. If you would like some guidance, please feel free to ask for assistance from our team.

Due to the nature of large wine lists, some items and vintages may not be currently in stock.

We will be more than happy to find an alternative bottle for your enjoyment.

Head Sommelier: Simon Moreno

Featured Winery:

Avani is a boutique winery and vineyard producing premium cool-climate wines on the Mornington Peninsula. In 2000, Shashi and Devendra collaborated with Phillip Jones of Bass Phillip Wines to make wines under the Wildcroft banner. 2009 vintage was the first vintage Shashi completed by herself under Phillip’s watchful eye at the Leongatha winery. It was in January 2012 that Shashi finally established her own winery at Red Hill South, with the 2012 vintage being the inaugural vintage on the property. Adopting a minimal intervention approach, they create wines of character which best express their site and growing season.

Cocktails

(Classic cocktails are available upon request)

Highlander 20

Travel back to the Highlands of Scotland with our revisited Rusty Nail, combining scotch whisky and Drambuie.

Flower Power 19

An unusual twist on our classic Caprioska took us by surprise. St. Germain's superbly balanced elderflower and Zubrowka's emblematic blade of grass have enlivened the sensations of summer.

Flamenco 20

The summer fever of a perfect marriage between Oloroso sherry & dry vermouth, finished with a splash of orange bitters.

Gimlet #10 18

A creation enhancing the zesty notes of summer with our Tanqueray #10 Gin signature cocktail

The Alpinist 20

Year 1737, Monks of the Chartreuse mountain joint together and discovered a savory, vegetal heaven. With their help, combining the juniper notes of gin, we have crafted the true nectar of Gods, the Holy Spirit. Will you agree?

Negroni 20

Gin's savoury notes, meeting delicate, dry orange flavours is a sophisticated way to relish life.

Campari / Aperol Spritz 15

A subtly bittersweet Italian aperitif. Perfectly pairs with pre dinner snacks or just on a hot day.

Kir Royale 15/32

The Kir Royale is France's classic pre-meal aperitif made by mixing sparkling wine with Creme de Cassis to revitalise your tastebuds. Ask for Champagne instead of sparkling wine for a full experience.

Classic Champagne cocktail 32

Cognac, Angostura bitter and sugar cube, topped up with Pol Roger Champagne. Not to be missed!

OUR TRIBUTE TO JURA

If you'd asked anyone about France's Jura region and its wines a few decades ago, chances are you would have received a blank stare. Located in the north west of France, between Burgundy and the Alps of Switzerland, the small and traditional region of Jura accounts for a minuscule production hence their rarity and near impossibility to find. The region lends its name to the Jurassic Era, limestone cliffs and hillocks upon which the best vines are planted, imbue electric currents of acidity into the wines, allowing them to live on forever.

Ribera del Duero is the modern red wine miracle of northern Spain. Barely known until the late 1980s it now rivals Rioja as Spain's foremost red wine region. Situated on the banks of the Duero river (which once in Portugal becomes the Douro - the home of Port), this arid region becomes both extremely hot and incredibly cool from day to night producing wines with astonishing concentration and complexity. Vega Sicilia is the region's flagship estate and as such Unico exists: a reserve wine that is made from the local clone of Tempranillo together with Bordeaux varietals that were planted in the 19th century. Only made in the most exceptional vintages and aged in oak for longer than practically any other wine on Earth 'Unico' is a true staple to the Ribera del Duero: modern, radical, and stacked with personality!
